

SEACLUB PETS FRIENDLY

At Seaclub Resort pets are considered members of the family and as such, cats and dogs are welcome.

We accept up to 2 pets of a maximum 25kg each per room, with these not allowed to stay alone in the apartments.

They will be able to enjoy our outdoor areas * as long as they are on the leash (* By regulations, the pool areas and children's play points are excluded).

For maximum comfort, Seaclub Resort will provide bowls for food and drink as well as a pet pillow in the rooms.

The cleaning of the room must be in the absence of the pet, please notify the reception of the most appropriate hours. Pet rooms will pay a supplement of €50 per room and stay as they require a more thorough cleaning at check out.

At the time of booking we must be informed that you are visiting us with a pet: indicating type and weight.

Pets must have a valid travel passport and vaccination and at the time of check-in we will request a responsibility statement for our guests with pets.

For more information, do not hesitate to contact us at reservas@seaclub.com
